JUST JILL
Specialty Design Borders

An Instant “Room-Lift”

Is there a plain wall in your home, office, church, school or restaurant that needs a creative touch? This unique border has endless possibilities.

A fresh approach to your decor

WELCOME to the world of stress-free design where your room will reflect the heart of how you live.

With BorderBytes[®], you can create comfortable and inspiring surroundings.

You can transform any room with an original decorating touch that is fun and hassle-free.

THIS border can be applied to a painted or wallpapered wall. No water, paste, or additional materials needed for hanging. With little time & expense, you can enhance your wall space with this clear, self-adhesive, repositionable border measuring 36 inches by 5 inches.

CHOOSE from Just Jill's selection of inspirational, casual living or nautical quotations in beautiful calligraphy scripts that express your unique style. Your environment will be enhanced by your own personal design.

A unique expression of individual style
